## AMUSEMENTS

### New Season at B. F. Keith Theater.

The new fall and winter season of the B. F. Keith Theater starts next week on another full year's round of amusement. For the inaugural week of the management, it is announced, has exhausted its resources in the production of a sterling stellar bill of international offerings, headed by the European sensation, the Great Rigoletto, in a series of protean exploits said to far surpass Schaffer, who preceded them in this country. This feature condenses a dozen individual roles into a single performance, it is claimed, the Rigoletto is inevitable. Another leading inclusion will be the comedy players, Laura Burt and Haur Stanford. The present "The Order of the Bath," a comedy with several surprises in its action. Other prominent additions will be the musical comedy, "The Song of Songs," Theodore Bendix and his symphony players; "Towers and Dances," a fantastic feature, Sandy and Norton in musical romances, "Madie North," "The Yorkshire Lass," in cockney, Scotch and English ballads; "Pittations," the pipe organ recitals and the Pathé weekly news pictorial.

Next Sunday, September 1st, at 3 p.m. and 8:15 p.m. and the offerings will include selected features from the current week's bill, reinforced by special numbers for the occasion.

### Reopening of Stock Company.

At the opening performance at Polt's next Monday night a new playhouse, to all intents and purposes, will be reopened. The new Stock Company, the theater has been redecorated in old rose and gold, with the foyer refurnished in rose, with silk tapestries. The orchestra chairs have been upholstered in old rose plush. The stage curtain is in place, and all the box draperies will be in place. A new stage will be in place. Changes of scenes and lesser length of acts between the acts.

Chief interest, however, is expected to center in the personnel of the new Polt Players, headed by A. H. Van Buren. Other members of the cast will be: Mary Kent, a favorite of the Polt company; Russell Fillmore, who attained popularity during the last two months of the Polt summer season; Miss Florence Kitchhouse, the new leading woman; Blanche Frederica, character actress, last seen here in "The Ringer"; Raymond Walburn and Peggy Cameron. Harry Andrews will again be the general stage director. Mr. Polt has retained J. W. Cone as resident manager, with James Fletcher as general manager of the Polt circuit of theaters.

### Milano Opera Company.

An all-new bill will be presented at the Cosmos Theater for the last half of this week, beginning with tomorrow's matinee and introducing for the first time in Washington the Milano Opera Company, a quintet of artists, in an offering of old favorites and new songs. William K. Saxton and company will present a playlet by Arthur Colby, entitled "Clocks and Suits"; Waterbury and Jackson will have a new skit of songs and nonsense; D'Almeida and company will have a shadowgraph exhibition that is said to be a bit different from those which have been seen in this city. Another act will complete the bill, while the added attractions will include Hearsel's comedy of "Tales of the West," a domestic and photoplay features that will be changed daily, with the electric scoreboard of the Washington ball club's game on game days. The concert Sunday from 3 to 10 p.m. will include a program of classics by the orchestra, a vocal program and feature photoplays.

### Anniversary at the Gayety.

Tomorrow will mark the eighth anniversary of the introduction of high-class burlesque and vaudeville in the nation's capital. August 26, eight years ago, the doors of the Gayety were thrown open to the very beginning of this theater has enjoyed the patronage and approval of thousands of theatergoers, capacity houses being packed every night. The "Tales of the West" was inaugurated by the Gayety's first manager, and has been since his successor, Manager George Peck, deciding to retire to his farm in New York state, retransferred the management of the house to Harry Jarboe, who had acted as treasurer for him since his coming to Washington. Jarboe began this season's work with the determination to outdo the excellent work of his predecessors. His first act was a complete renovation of the building. Lew Kelly and his Behman show were selected as the attraction for Jubilee week. And Mr. Kelly is also celebrating this week another birthday, his thirty-sixth year, today.

### Film Features.

**Columbia.**  
Sam Bernard, German comedian, will make his debut as a photo star on the screen of the Columbia Theater, where he will appear the first four days of next week, starting Sunday afternoon. So long and diversified is the list of Mr. Bernard's comedy successes that it was quite a problem to decide in which production to have him appear for his first appearance on the screen, but finally "Poor Schmaltz" was chosen for his introduction to the motion picture public.

George Fawcett also transfers his histrionic powers to the screen and will be seen in a series of days of the week in "The Master of the House," the courtroom scene, where he sentences his only son to serve a ten-year sentence in state prison, he is placed to reach the pinnacle of dramatic effort.

### Crandall's.

An attractive program at Crandall's next week opens Sunday with Theda Bara, pictured in "Lady Audley's Secret," a photoplay success. Other attractions will include "The Cotton King," a photo-melodrama, with George Nash pictured in the title role. The picture shows one of the largest cotton mills in the world located at Cartersville, Ga., where thousands are seen at work. The other big attraction will be "The Imposter," a photoplay feature, with Jose Collins in the principal role and Alex B. Francis in the cast. The picture is in five parts. Concerts by Crandall's orchestra and pipe organ recitals are musical features.

### Resorts—Excursions.

**Colonial Beach—Str. St. Johns.**  
The National Guard of the District of Columbia will be in camp at Colonial Beach until Saturday morning next. During the remainder of this week the local citizen soldiers will have many visitors from this city and Alexandria, in spite of record-breaking throngs of tourists that have flooded the beach in the summer season at Colonial Beach is rapidly drawing to a close and the citizens' plans for these summer days, and the large number of Washington folks who are

Glen Echo.  
A Hearst-Selig picture weekly is the special motion picture attraction scheduled for this evening at Glen Echo. Motion pictures are shown free at the park every night. Sunday afternoon and evening Sol Minister and his military band will be the attraction. There will be four concerts, at each of which "special" programs will be featured. The Sunday concerts are arranged specially for the benefit of those who are unable to get out to the park during the week.

The management of Glen Echo is engaged arranging many special features for the celebration at the park Labor day.

With through car service from the heart of the city, the ride to Glen Echo is an enjoyable one, and special arrangements have been made for a sufficient number of cars, so that the crowds are adequately and expeditiously handled every afternoon and evening. Admission to the park is always free, and various large, small, and folding tables and benches, have been set aside for the use of picnic parties.

A fox trot contest will be held at the dancing pavilion this evening. To the lady winner a diamond-studded gold medal, valued at \$50, will be awarded, while the management also has offered a special gentleman's prize.

### Marshall Hall.

The crowds which continue to patronize Marshall Hall daily testify to the attractiveness of this popular resort, rich in its historic associations. At night the myriad electric lights give to Marshall Hall a veritable fairyland aspect. Every week day and Sunday the steamer "Charles Maclester" makes three trips to Marshall Hall, leaving 7th street wharf at 10 a.m., 2:30 and 6:30 p.m. Week days two stops are made at Mount Vernon, Washington's home and tomb.

## STILL AWAITING REPLY FROM GEN. CARRANZA

### State Department Receives Answers to Peace Proposal From Other Mexican Leaders.

A personal message from Gen. Carranza to the pan-American note urging a peace conference between the leaders of the various factions in Mexico. At the Carranza agency here it was said that Gen. Carranza had prepared his reply to the note, which was probably to be received in Washington tomorrow. The belief still prevails that the first chief will decline absolutely to enter into such a peace conference as the suggested in the pan-American note, and will demand recognition of the constitutionalist government.

A personal message from Gen. Carranza to the agency here denied reports that Villa troops had recaptured Durango, as stated here by the Villa agency. Carranza declared that he was in direct communication with the commander of the constitutionalist forces in Durango.

### Stands by Carranza.

Another Carranza supporter today forwarded his reply to the pan-American note, taking the same position as the others who have so far been heard from. It was Gen. Reinaldo Garza, commander at Lampazos, Mexico. He joined with his military associates in declaring that the proposal only could be answered by Gen. Carranza himself. Garza declared that he was ready to address the appeal to him because he was merely a subordinate.

### Seeks European Recognition.

Encouragement is said to have been given Carranza's representatives here by some of the European governments, whose diplomatic agents have been consulted. C. A. Douglas yesterday called upon Sir Cecil Spring-Rice, the British ambassador, and submitted to him Carranza's claims for recognition. The British government has said that it would follow the lead of the United States.

### Jim Hogg County Wants Help.

LAREDO, Tex., August 25.—Sheriff Oscar Thompson of Hebronville, Jim Hogg county, Tex., has requested Capt. Ransom, commanding United States troops at Harlingen, to send soldiers into Jim Hogg county for protection against roving bands of Mexicans, who, according to the sheriff, are stealing horses and threatening citizens in the eastern end of the county. There are said to be a dozen Mexicans in the sheriff said, one of four, the other of sixteen members.

### Fighting Reports Confict.

Conflicting reports of fighting between Villa and Carranza forces near Monterey continued to reach Washington, but the State Department had no advice. The Villa agency declared the battle at Monterey continues and that the city is in a state of siege. It denied that Gen. Percey had been killed and stated that Gen. Hernandez, reported wounded, is operating at Lampazos. Carranza's agency declared that Carranza agents that Villa had decided to conduct guerrilla warfare against Obregon.

### AMERICANS TO QUIT SONORA.

Fifty Arranging to Leave Hermosillo Owing to Yaquis.  
GUAYMAS, Sonora, Mexico, August 24, by wireless via San Diego, Cal.—Fifty Americans, it is reported here, are preparing to leave Hermosillo, capital of Sonora, fearing repetition of attacks made on the town by Yaqui Indians the nights of August 21 and 22. The Americans plan coming here and taking ship for the United States.

### OBJECTS TO HIGHER RATES.

**American Tobacco Company Protests Railroads' Proposed Increase.**  
The American Tobacco Company, in a brief filed with the interstate commerce commission yesterday, attacked the proposed increase in rates on tobacco freight rates and classifications proposed by railroads east of the Mississippi and north of the Ohio and Potomac rivers.

The company declared that in addition to the general increase of 5 per cent allowed the roads, the changes in ratings would be equivalent to an average increase in freight charges of between 10 and 14 per cent on unmanufactured tobacco, and 20 per cent on manufactured tobacco.

## FAVORS GERMANS, SHOT

### Indiana Minister Is Slain After Being Threatened for His Utterances.

GARY, Ind., August 25.—The murder of Rev. Edmund Kayser, pastor of St. James' Lutheran Church in Tollestien, a suburb, whose body was found near his home last night, occupied the attention of the local police force today. The preacher recently had appealed to the

police, threats having been made against him because of his pro-German utterances.

The body was found in a vacant lot adjoining the minister's home in a community of Slav steel workers. There was a bullet wound in the throat. A window pane was found tightly about the neck. Rev. Mr. Kayser was born in Bavaria forty years ago. A month ago he was quoted to the "Polish Hintz" for permission to carry a revolver, alleging threats had been made against his life.

For weeks members of his congregation guarded the pastor, escorting him to and from his church.

People usually have to draw on their imagination in order to make themselves believe a lot of the things they hear.
